MEMORANDUM FOR SENIOR MASTER SERGEANT PHILLIP T. MONK

FROM: 37 TRW/CC

SUBJECT: Result of CDI Concerning Allegation of False Official Statement

As you are aware, I recently ordered a Commander-Directed Investigation (CDI), which included an allegation that you made a false official statement. That investigation is now complete. The CDI was conducted between 21 August 2013 and 6 September 2013. The Investigating Officer (IO) completed his report on 16 September 2013, and determined that the allegation was unsubstantiated. After reviewing the CDI on 29 September 2013, I concurred with the IO.

A handwritten signature in black ink, appearing to read "Mark D. Camerer", is positioned above the typed name.
